

**Enterprise Europe Network** is the largest business support network in Europe. Thanks to its 570 contact points in 45 countries including the European Union, it provides practical answers to specific questions in the language of SMEs.

Our mission is to help SMEs to develop their innovation potential and to access new markets.

Instruments include business partner search as well as advice regarding the European Union legislation and European financing programs.

Locally, **Enterprise Europe Ouest** is composed of the Brittany and the Pays de la Loire Regional Chambers of Commerce as well as OSEO and Bretagne Innovation.
